## National Prescription Drug Take Back Day: April 27, 2019

---

National Prescription Drug Take Back Day will take place **Sat., April 27, from 10 a.m. to 2 p.m.** and is a great opportunity for those who missed the previous events, or who have subsequently accumulated unwanted, unused prescription drugs, especially medications including opioids such as codeine, hydrocodone, oxycodone, morphine or fentanyl, to safely dispose of those medications.

[Find a location site near you.](#) Since the first Take Back Day in 2010, over 5,000 tons of unwanted or expired medications have been surrendered for safe and proper disposal at over 9,000 sites.

Thank you,
